PRESENTATION: Gene Bavis, Town Historian

Mr. Bavis, introduced by Councilwoman Linson, began his presentation with a brief review of his background serving the Town in various roles, involvement with the Walworth Historical Society, Town Historian and now as Chairman of the Wayne County Bicentennial Committee. Mr. Bavis explained to the Town Board that it was recently discovered that the founding dates of various towns throughout Wayne County were incorrect, Walworth included. He stated that many of these Towns recorded their foundation dates as the date the resolution passed, not the date on which it was to take effect. Mr. Bavis shared that the resolution to found Walworth was passed on April 20, 1829, but it was to take effect on April 5, 1830, therefore the Town record will need to show this. Finally, Mr. Bavis shared articles and upcoming posts from the Bicentennial Committee that will be released in upcoming months. Discussion ensued regarding the Committee and the discovery of the historical documents, and the Town Board thanked the Town Historian for his work and dedication to the Town.

2020 Year End Board Report
January 20, 2021

As with all departments in the town, 2020 was a year where the Assessment Department adapted frequently to the changing guidelines and protocols that came with the COVID-19 pandemic. During this time, we continued our usual services, met residents' needs whether working remotely or in the building, worked on the Regional Sewer Plant project, and, most prominently, have been working to complete the town-wide revaluation.

Major highlights from 2020 include:

- Renewal of all residents' 2019 exemptions (where applicable) and processing of new exemption applications for 2020.
- Working remotely to hold informal meetings with residents regarding their assessments leading up to Grievance Day in 2020.
- Participation in the planning of the Regional Sewer Plant project with the team, and creation of the special assessment roll needed to levy the necessary taxes.
- 2021 Exemptions:
 - o Mailing out of exemption renewal applications to all residents
 - o Collection and entry (ongoing) of new applications
 - o Mailing out letters and applications to residents who may be eligible for exemptions per NYS information.
 - o Mailing out notices to residents receiving Senior and Disability exemptions per Governor Cuomo's Executive Order in December 2020
- Ongoing work on the town-wide reassessment, including:
 - o Sending out data mailers in March 2020 to update property data and inventory.
 - o Using Pictometry to update inventory and for parcel analysis.
 - o Meeting and discussing with residents to resolve discrepancies in parcel inventory and information.
 - o Revaluation of the vacant land parcels in town.
 - o Updating costs and rates in the RPSV-4 system.
 - o Valuing of residential, farm, and commercial properties.
- Other:
 - o Continuing to work closely with the Building Department on inspections, permits and Certificates of Compliance/Occupancy, and other property information.
 - o Assessor and Assistant continuing their education as needed (Assessor – continuing ed courses; Assistant – certification courses)

(continued next page)

The first half of 2021 will continue to be a busy time for the department.

As we begin to wrap up the final part of the revaluation process, we will be holding informational meetings and sharing a presentation our department has created to help residents better understand the process and how to proceed with concerns.

In March, we will begin the process of notifying residents via mail of their reassessments, setting up informal meetings, and preparing for Grievance Day. We will be working diligently to ensure that all residents have the chance to speak with us and express questions or concerns, be it remotely or in-person. This will all be leading up to the final roll (dated July 1, 2021).

Respectfully submitted,

Mei Halstead

RESOLUTION 38-21: ADOPTION OF PETTY CASH PROCEDURE AND POLICY

Councilwoman Linson offered the following Resolution and moved its adoption. Seconded by Councilman Bryson to wit:

The following was submitted:

PETTY CASH POLICY

PURPOSE

The Town Board may by resolution establish a petty cash fund for an employee, upon request, at the lowest practical amount. Monies in any such fund may be used for the purpose of making change when such is required in the performance of official duties, as well as for the payment, in advance of authorization for properly itemized bills for materials, supplies or services furnished to the town for the conduct of its affairs.

ESTABLISHMENT OF PETTY CASH FUND

Any request to establish a petty cash fund should be addressed to the Town Supervisor and Comptroller in writing, who will then bring the request to the Town Board. The request should identify the custodian and department head, the purpose of the fund, amount of the request, and security procedures to safeguard petty cash funds. Approval of petty cash fund will be given by Town Board resolution. Disapproval will be communicated to the department head in writing with an explanation.

CUSTODIAN AND CONTROL OF PETTY CASH FUND

Custody of the petty cash fund will be assigned to only one employee, unless otherwise stated in the adopted Town Board resolution, to maintain accountability and security of the fund. The assigned petty cash custodian will handle all petty cash transactions and will secure the fund in a locked location separate from other cash drawers.

PROCEDURE

Each fund must be audited by the department head on a monthly basis. A log of this procedure will be maintained and signed off each month by the department head and the responsible petty

cash custodian. Any issuance of Petty Cash may be audited by the Town Board at any time. All expenditures made from this fund will be submitted monthly by voucher for reimbursement. Attached to the voucher will be original itemized receipts supporting each expenditure. Each fund will be reimbursed for an amount equal to the total of such expenditures after audit and approval.

Any bill or portion of any bill not approved by the Board shall be a personal liability of the Officer for which the fund was established, and they shall promptly reimburse the petty cash fund in the amount of such disallowances. If reimbursement is not made the amount may be withheld from salary payment and, if necessary, subsequent salary payments and paid into the appropriate petty cash fund until an amount equal to the amount disallowed has been repaid. In addition to the financial responsibility and liability for wage deductions, any violation of this policy will result in disciplinary action, up to and possibly including termination of employment, depending upon the severity and repeat nature of the offense (per Civil Service Law Section 75).

The transfer of a petty cash fund to another custodian or physical location must be approved by the Town Board. All underutilized funds shall be closed.

BE IT RESOLVED that the Town Board hereby adopts the Petty Cash Procedure and Policy.

Adopted this 21st day of January, 2021 at a meeting of the Town Board.
