Welcome to Walworth! We hope you will find your new community a great place to live and play. I am always happy to answer any questions you might have about our Town or County.

Please find enclosed in this package an assortment of information to help you learn more about your new community. We offer a highly praised recreation department that provides activities for the whole family. They also run several family friendly events each year that are free. You will find many awesome programs offered by our library, make sure you check it out. Other services include activities for the kids, free computer usage, digital books, and a nice reading area with free coffee and tea.. Our emergency services are staffed by volunteers and always looking for more members, please feel free to contact me if you are interested. We have several community service organizations, including Lions Club and Rotary Club. Joining one of the many service groups in our Town is a great way to meet your neighbors, while helping others.

Both the Town and recreation department have Facebook pages that you can "Like" to receive current information about Town activities. Our website [TownofWalworthNY.gov](http://TownofWalworthNY.gov) also contains information you might find interesting. Of course, I am always here to help and may be reached at 315.986.1400 x1.

We are glad you are here!  
Thank you.

Warmest welcomes,

*Susie C. Jacobs*
