Marriage Licenses... What you will need & need to know...

- 1) You must apply IN PERSON for a marriage license and the application for a license must be signed by both parties in the presence of the town or city clerk. A representative cannot apply for the license on behalf of either party. This applies even if the representative has been given the Power of Attorney. Notarized marriage license affidavits signed by either party cannot be substituted for their personal appearance. The license will be issued upon completion of the application.
- 2) Both parties must submit to the issuing clerk one item from column A (age related) AND one item from column B (identity related)

Column A (Age Related)

- Birth Certificate
- Baptismal Record
- Naturalization Record
- Census Record

Column B (Identity Related)

- Driver's Licenses
- Passport
- Employment Picture ID
- Immigration Record

- 3) If you were married before, you must list all prior marriages. You must include your previous spouse's full name; the date the divorce decree was granted; and the city, state, and country where the divorce was issued. All divorces, annulments, and dissolutions must be finalized before you apply for a new marriage license. A certified copy of the Decree of Divorce or a Certificate of Dissolution of Marriage must be presented to the clerk issuing the marriage license. If you are a widow or widower, you must provide your deceased spouse's full name and date of death.

Although the marriage license is issued immediately, the marriage ceremony may not take place within 24 hours from the exact time that the license was issued.

The cost of obtaining a marriage license is \$40 payable by cash or check.

Cards are accepted, convenience fee paid by credit card users.
