

Presiding Supervisor Laura Elsbree called the Special Meeting / Site Visit of the Town Board, County of Wayne, State of New York, held at the old Walworth Sewer Plant, 3451 Ontario Center Road, Walworth, NY to order at 6:00 PM.

PRESENT:

Laura Elsbree	Supervisor
Amber Linson	Councilwoman
Craig Jeffers	Councilman
Daniel Botsford	Councilman
Nadine Seppeler	Town Clerk

ABSENT: Alex Kelly - Councilman, Kevin Switzer - Highway Superintendent

OTHERS PRESENT: Mike Buckley – Parks and Facilities Superintendent,

OFFICAL ACTIONS: None

SUMMARY OF TOUR: Parks and Facilities Superintendent Mike Buckley lead the tour of the old Walworth Sewer Plant located at 3451 Ontario Center Road. The tour went as follows:

Office Building: It contains office space, break room, bathroom, mechanical room, and lab.

Bio Building: It contains a cold storage space, now being used as parks equipment storage.

Garage/shop: It contains filter room, parts room, workshop, and garage space.

The board then saw (but did not enter) four (4) buildings behind what the Town owns that belong to the Wayne County Water and Sewer Authority.

It was noted that a fence will be built to mark the boundary between town-owned property and the property leased by the county.

ADJOURNMENT:

Motion by Councilwoman Linson to adjourn. Seconded by Councilman Jeffers.

Roll call vote:	Councilwoman Linson	Aye
	Councilman Jeffers	Aye
	Councilman Botsford	Aye
	Councilman Kelly	Absent
	Supervisor Elsbree	Aye

Motion carried.

Time: 6:15 PM

Respectfully Submitted,

Nadine Seppeler

Town Clerk
